

**Generators for Guinea  
Motorcycles for Mozambique  
Seeds for Sierra Leone  
Medical Equipment for Mali ...**

## Solar System for Senegal

Cost-efficient purchasing, precise knowledge of fast and safe transport routes as well as our customer-oriented service allow for procurement of a broad range of goods and services.

WEM is a non-profit making organisation, working on a cost covering basis only:

It is your projects which have the profit.

Through a global network of cooperation partners, WEM offers qualified consulting and support at each stage of the project management.

*We care about you!*
